

Ambulatory Care Nurse

Job Description Template

Ready for an exciting career change? Here at [facility name], we're looking to hire an experienced ambulatory care nurse to join our outpatient cardiology team. Qualified applicants will have at least three years of ambulatory care experience in a similar environment.

As the newest employee in our downtown Sacramento cardiology clinic, you'd be expected to work Monday through Friday, from 0800-1700. We want our clinicians to be able to balance their personal and professional priorities, which is why we offer a competitive salary and robust employee benefits package to all full-time nurses.

At [facility name], we're passionate about providing safe, quality care to all we serve. Our organization is proud to have been recognized as California's "Best Place to Receive Cardiac Care" for five years in a row and is looking to hire a nurse who demonstrates our values of compassion, curiosity, and clinical innovation. If this sounds like a position you'd be interested in, continue reading as we outline the qualifications and skills we're looking for.

Benefits

- FSA/HSA options
- 401(k) matching and access to our company's pension program
- Healthcare, dental, and vision insurance
- Generous paid vacation/holiday/family leave
- Free continuing education (CE) courses
- Tuition reimbursement of up to \$4,000 per year
- Discounts for local restaurants, gyms, and amusement parks
- Subsidized public transportation

Duties and Responsibilities

Ambulatory care nurses at our organization are expected to perform the following duties:

- Conducting a thorough physical assessment on each patient upon admission
- Documenting the patient's medical history, vital signs, and current symptoms in their electronic health record

- Administering medications, fluids, injections, and supplements as ordered by the attending physician
- Collaborating with other members of the multidisciplinary care team to determine a suitable treatment plan for each patient
- Providing discharge instructions to patients and their family members

Compensation and Shifts

- Salary starts at \$82,000, with adjustments subject to education level and relevant leadership experience
- 4-week paid orientation period
- 5 scheduled 8-hour day shifts (8a-4p) per week
- Monday-Friday schedule, no weekend or holiday hours required
- Bi-weekly or weekly pay periods

Qualifications and Skills

Required Qualifications:

- Active and unencumbered RN license
- ADN degree
- BLS and ACLS certified
- 2 years of experience working in an ambulatory care setting
- Strong cultural competence skills

Preferred Qualifications:

- BSN degree
- Certified nurse in ambulatory care (examples of acceptable certifications include AMB-BC and CNAMB ambulatory nurse certification)
- 5+ years working in an ambulatory care setting
- Previous experience using the Epic charting system
- Bilingual in English and Farsi
