Caregiver

credenza

Job Description Template

Ready to take your caregiver career to the next level? Come join our dynamic team in a fast-paced healthcare setting. Under the direction of a licensed nurse or physician, the caregiver provides hands-on care to assisted living and dementia care residents. Experience in a healthcare facility is preferred but not required — all candidates with caregiver experience are encouraged to apply!

Benefits

- Competitive pay
- Health, dental, and vision insurance
- Retirement options
- 6-month retention bonus
- Flexible schedule
- Paid time off
- Paid family leave
- Tuition assistance
- Continuing education stipend
- Track scheduling available so you can plan your life out in advance and maintain a healthy work-life balance

Duties and Responsibilities

Our caregivers at the Senior Living Center go above and beyond the call of duty to make residents comfortable and safe in their home-away-from-home. When you join our team, you'll build your skillset by being responsible for:

- Personal care/hygiene
- Lifting, turning, and assisting patients with mobility
- Meal preparation
- Light housework, including laundry and room clean-up
- Providing emotional and physical support
- Encouraging residents to participate in activities

- Caring for residents with Alzheimer's and dementia needs
- Maintaining HIPAA compliance
- Documenting care in the computerized charting system
- Reporting abnormal findings to the nursing team

Compensation and Shifts

- Earn up to $16 an hour
- Day, night, or evening shifts available
- Five 8-hour shifts between Sunday-Saturday
- No on-call requirements
- Get paid weekly

Skills and Qualifications

- High school diploma
- Caregiver certification
- Background check
- Drug screen
- CPR certification
