

Certified Nursing Assistant

Job Description Template

Ready to take your CNA career to the next level? Here at [facility name], we're looking to hire an experienced CNA to join our pediatric transplant team. Qualified applicants will have at least two years of CNA experience with a similar patient population.

As our newest nursing professional, you'd be expected to work three 12-hour shifts per week in our top-rated acute care children's hospital. We're looking to recruit a clinician who is curious, compassionate, and innovative, and offer competitive salaries and robust employee benefits to those who have what it takes.

Located in the heart of Richmond, [facility name] offers staff an exciting place to work and grow as a clinician. We've been recognized as Virginia's "#1 Pediatric Transplant Center" for three years and are looking to expand our services outside of the city center. If this sounds like a position you'd be interested in, continue reading as we outline the qualifications and logistics of the position below.
