Questions	Rating	Notes
Why do you want to be a community nurse?		
What are some biggest health challenges that you see our local communities facing in the near future?		
Tell me about a time you helped create or implement a community health initiative.		

<p>How would you approach health education for a patient population with different beliefs than you?</p>		
<p>Have you ever had to collect and track large amounts of patient data? If so, what was the process like?</p>		
<p>Tell me about a time when you had to adapt to a new workplace policy that affected your ability to reach vulnerable patients. How did you respond?</p>		
<p>How do you ensure that patient care is person-centered when supporting a wide range of communities?</p>		
<p>Additional Questions:</p>
