

Community Health Nurse

Job Description Template

Are you an RN looking for a meaningful and fulfilling career? Consider joining *[organization name]*'s efforts in expanding our local outreach initiatives and care services. We are one of the most rapidly growing community health centers in the state, serving over 20 different counties. Driven on the basis that healthcare is a human right, our goal is to help diverse families access high quality and affordable care — regardless of their ability to pay.

Our workplace is a highly collaborative and supportive environment that values our staff just as much as we value our patients. As an RN on our team, you would provide patient care within our clinic and participate in our outreach initiatives, including mental health awareness events at our local high school. We are proud to provide competitive salaries and comprehensive benefits to help our nursing professionals thrive. If you're interested in learning more, we invite you to explore all the other perks of working with us below!

Benefits

- 401(k) matching plan
- Medical, dental, vision, and disability insurance
- 18 days PTO and 8 paid holidays
- Continuing education (CE) credits
- Employee assistance program (EAP)

Duties and Responsibilities

- Collaborate with providers to develop and implement patient care plans
- Triage walk-in patients and telephone calls
- Collect blood samples from patients using sterile technique
- Educate patients on health promotion, disease prevention, and treatment
- Help conduct community health screenings and educational programs
- Administer immunizations, contraception refills, and prescribed medications
- Participate in outreach initiatives to help spread awareness about our services
- Perform other duties as assigned

Compensation and Shifts

- Annual salary of \$75,000 – \$83,000, with final offer determined based on experience
- Shift: Full-time (clinic hours 10a – 6p) with occasional evenings and weekends for community events
- Location: *[insert city, state]*

Qualifications and Skills

- BSN from an accredited nursing program required
- Active RN license in the state of *[insert state]* required
- BLS and ACLS certification from the AHA required
- At least 1 year working in outpatient or community health setting preferred
- Bilingual Spanish proficiency preferred]
