Operating Room Nurse

Job Description Template

We're seeking an experienced RN to join the surgical ward at our downtown campus. [Facility name] is consistently top-ranked for several surgical specialties, offering valuable experiences across our neuro/ortho, spine, and bariatric programs. If you're looking for a challenging and rewarding career as a perioperative nurse, we invite you to join our renowned community hospital that is committed to promoting high-quality patient outcomes.

Our ideal candidate is detail-oriented and comfortable working in fast-paced environments. We're looking for a collaborative nurse who understands how to deliver safe and effective care alongside other members of the surgical team.

Benefits

- Competitive pay
- 401(k) matching
- Health insurance, with dental and vision
- Generous paid time off (PTO)
- Tuition reimbursement
- No weekends, no nights, and no calls

Duties and Responsibilities

- Work alongside the surgical team to deliver nursing care to patients undergoing surgical/invasive procedures
- Perform essential scrub functions, such as the selection and handling of instruments needed during the procedure
- Perform circulating functions, such as monitoring, recoding, and managing overall nursing care of patients before, during, and after surgery
- Assist surgeon with delegated tasks such as suturing, wound care, and patient positioning during the procedure
- Prepare and sterilize operating rooms and surgical instruments for use
- Provide pre- and post- operative education to patients and their families

Compensation and Shifts

- Pay range: $45-$55/hour
- Sign-on bonus: $15,000
- Schedule: Full time, 36 hours
- 3 days a week, 12-hour shifts with alternating days off
- Start times range between 0530-0700
- Location: [Insert city, state]

Qualifications and Skills

- BSN from an accredited nursing school required
- Active RN license administered by the [insert state] Board of Nursing
- BLS certification required
- PALS and ACLS certification within six (6) months of hire
- At least 1 year of acute care experience preferred
